Dear Friend,

Thank you for your recent inquiry about the possible use of our camp facilities. The following describes in brief what we have to offer in regard to a nature-oriented atmosphere which we hope will meet your camping needs.

Verdugo Pines Bible Camp is situated at the 6,200 foot level in the San Gabriel Mountains, in the Angeles National Forest. Our campground is just west of Jackson Lake, amidst tall pines and great gnarled oaks. This picturesque lake offers opportunity to the would-be fisherman or canoeing enthusiast. The Pacific Crest Trail runs along the mountain ridge west of the camp, and trails leading to it offer adventure for the mountaineer.

Our **facilities** at Verdugo Pines include 10 log-sided duplex cabins (a total of 20 units). Each unit lends a "mountain-touch" to your camping experience, sleeps seven or eight people in bunks, and also has its own private bathroom. We also have 6 dormitory units, each of which can house up to 10 people in bunk beds and has a private bathroom. Our sleeping capacity, year-round, is about one hundred eighty. We also have 2 hospitality cabins available for your guest speaker and retreat coordinator with those "extras".

Bush Chapel is a spacious building seating about one hundred, seventy. **Peterson Lodge**, with two stone fireplaces, makes for a cozy spot on chilly days. It allows for small group seminars and chapel services for about forty-five.

Our **spacious Dining Room** in White Lodge, has a rustic stone fireplace, and contains one large dining area for about one-hundred forty people, and an overflow room seating another fifty comfortably. This overflow room is often used as a meeting room for small groups, and boasts a cozy wood-stove and mountain atmosphere. Our food service team loves what they do, and we are pleased to offer you some of the greatest food on the mountain. It's exceptional!

Below the dining hall, you will find a 1600 square foot **Recreation Room**, equipped with various table games such as pool, ping-pong, foosball and air hockey. Also in the recreation room is our **Country Store**, where snacks, drinks and gift items are sold.

Other amenities available include **Victory Circle**; a fire ring for day or nighttime use, and a 30'x75' solar-heated **pool** for the warm summer weeks of camping.

Various **sports** available at Verdugo Pines include archery, volleyball, basketball, fishing and canoeing, as weather permits. Hiking is also enjoyed by hundreds of campers here each year, and our hills provide great opportunities for snow sports in the winter.

Reservation information:

Reservations can be made by calling the office, and are booked on a first-come, first-served basis. Groups with a minimum of 120 will be given exclusive use of the camp. Groups with fewer than 120 people must anticipate sharing the campground with other groups. In addition, groups of less than 50 should anticipate paying a surcharge of \$2 per person, per night. This fee will be waived if we are able to rent to another small group or groups on the same weekend; bringing our occupancy up to a minimum of 85 full-time campers. Children attending with groups which have a minimum of 120 full-time campers will be given discounts off the adult rate.

For further information please contact us. We invite you make an appointment to view our facilities. We will be glad to show you around and answer any questions you may have.

Cordially yours,

John Bourbonnais

Executive Director
